PROFESSIONAL PROFILE

Graduate student in Technical and Professional Communication with experience in academic advising, institutional communication, and content development. Strong background in writing, editing, research, and multimodal communication, with particular interest in accessibility, student-facing documentation, and technical communication in educational and agricultural contexts. Experienced in translating complex policies and processes into clear, usable materials for diverse audiences.

CORE COMPETENCIES

Technical & Professional Communication

- ❖ Document design & content development
- ❖ Editing and proofreading (academic & professional genres)
- ❖ Audience analysis and usability-focused communication
- ❖ Accessibility-aware communication practices

Research & Data

- ❖ Qualitative research and synthesis
- ❖ Survey design (Qualtrics, Jotform)
- ❖ Data visualization and reporting

Digital & Multimodal Communication

- ❖ Podcast production and editing
- ❖ Social media strategy and analytics
- ❖ Presentations and public speaking

Educational Communication

- ❖ Academic and career advising
- ❖ Student advocacy and support
- ❖ Cross-departmental collaboration

PROFESSIONAL EXPERIENCE

Advisor I, Academic | February 2023 – Present

Auburn University, Auburn, AL

- ❖ Provide academic advising to a caseload of approximately 200 students per semester, translating institutional policies, degree requirements, and career pathways into clear, student-centered guidance.
- ❖ Develop and revise advising materials and workflows to improve clarity, efficiency, and student access to resources.
- ❖ Facilitate communication between students, faculty, and administrative offices, serving as an intermediary across multiple stakeholder groups.
- ❖ Maintain accurate academic records and compliance documentation for institutional and state reporting.
- ❖ Co-host and contribute content to the *Advising 2Bits* podcast, supporting student engagement through informal, accessible communication.
- ❖ Serve as an A&P Representative on the University Senate Traffic Appeals Board, participating in policy interpretation and decision-making processes.

Marketing Communications Specialist | January 2022 – January 2023

InformedAg, Auburn, AL

- ❖ Created marketing and informational content aligned with organizational branding and communication goals.
- ❖ Designed and managed digital campaigns, increasing social media reach and engagement by over 100%.
- ❖ Produced, edited, and co-hosted a podcast series, overseeing content planning, audio editing, and distribution.
- ❖ Collaborated with subject matter experts to translate technical agricultural information into accessible public-facing materials.

Administrative Assistant, Dean's Office | January 2019 – December 2021

College of Agriculture, Auburn University, Auburn, AL

- ❖ Supported administrative communication for the Dean's Office, including front-line stakeholder interaction and information routing.
 - ❖ Assisted with coordination and communication for visiting international delegations.
 - ❖ Contributed to office documentation and administrative workflows.
-
