- Student advocacy and support
- Cross-departmental collaboration

PROFESSIONAL EXPERIENCE

Advisor I, Academic

February 2023 – Present | Auburn University, Auburn, AL

- Provide academic advising to a caseload of approximately 200 students per semester, translating institutional policies, degree requirements, and career pathways into clear, student-centered guidance.
- Develop and revise advising materials and workflows to improve clarity, efficiency, and student access to resources.
- Facilitate communication between students, faculty, and administrative offices.
- Maintain accurate academic records and compliance documentation.
- Co-host and contribute content to the Advising 2Bits podcast.
- Serve as an A&P Representative on the University Senate Traffic Appeals Board.
- Develop instructional materials and Canvas-based modules to support student navigation of advising processes.

Marketing Communications Specialist

January 2022 – January 2023 | InformedAg, Auburn, AL

- Created marketing and informational content aligned with organizational branding and communication goals.
- Designed and managed digital campaigns, increasing social media reach and engagement by over 100%.
- Produced, edited, and co-hosted a podcast series.
- Collaborated with subject matter experts to translate technical agricultural information into accessible public materials.
- Designed digital and print materials using Adobe Creative Cloud and Canva.

Administrative Assistant, Dean's Office

January 2019 – December 2021 | College of Agriculture, Auburn University, Auburn, AL

- Supported administrative communication for the Dean's Office.
- Assisted with coordination and communication for visiting international delegations.
- Contributed to office documentation and administrative workflows.
